

# Kim Hunt Dog Training

Rewarding---For Dogs and Owners

## In-Home Private Training Classes

We bring the training class to you and show you how to turn your ruff-around-the-edges pet into a well-mannered family member. You'll learn how using positive reinforcement can quickly establish or strengthen your bond with your dog, and how you can use it to teach your dog anything he's physically and mentally capable of doing. Rabies vaccination required for dogs over 4mo.

- **Five-week course includes:**
  - Five foundational behaviors and how to leverage them to prevent and resolve common behavior problems
  - Five weekly 60min sessions
  - Weekly 10-min FaceTime/Skype/phone support sessions
  - Access to trainer via text and email
- **Your commitment:**
  - Two 10-minute training sessions daily
  - Short video and reading assignments weekly
- **Limited time promotion:** ~~\$399~~ **\$349/\$296.65\***

## In-Home Kids or Teens Training Classes

We specialize in teaching animal-lovers ages 9-18 to train the family dog. We tailor the class content to each student's interests and abilities. Youth learn principles of operant conditioning; the fundamentals of dog cognition, emotion and behavior; and apply it all to the art and science of dog training. Students teach their dog five foundational behaviors, a trick of their choice, and learn an introduction to solving problem/annoying behaviors. Great opportunity for homeschoolers (**fulfills 0.25 science credit** using Carnegie hours) and youth interested in veterinary or behavioral sciences. Discount available for additional 7-week/0.25 credit courses for students interested in advanced concepts and earning additional science credit. Rabies vaccination required for dogs over 4mo.

- **Seven-week course includes:**
  - Five foundational behaviors, a trick of your choice, and how to use them to prevent and resolve common behavior problems
  - Seven weekly 45min sessions
  - Weekly 10-min FaceTime/Skype/phone support sessions
  - Access to trainer via text and email
- **Your child's commitment:**
  - Two 10-minute training sessions daily
  - Short video and reading assignments weekly
- **Limited time promotion:** ~~\$489~~ **\$429/\$364.65\***

## Day Training Services

Busy? We get it. We will train your dog for you and show you how to maintain and use established new behaviors to improve your relationship and your life with your pet! We can teach basic manners and foundational behaviors or solve annoying/problem behaviors. Each training session is sandwiched between brief walks with the trainer to help prime and cement learning. Current rabies vaccination required for dogs over 4mo.

- **Four-week Basic Manners/Foundational Behaviors Package includes:**
  - 30-minute initial consultation
  - Five foundational behaviors plus leash, door, and greeting manners
  - Three 40-min training sessions per week that include brief walks and written owner updates (12 training sessions total)
  - Weekly 20 min owner consult to update you on your dog's progress and demonstrate how to use and maintain new behaviors
  - Access to trainer via text and email for support
  - **Owner commitment:** learn the fundamentals of reward-based training from the trainer; continue to reinforce dog's established new behaviors
  - **Limited-time promotion:** ~~\$999~~ **\$749/\$636.65\***
- **Problem-Solving Training Package (for simple to complex behavior issues) includes**
  - 60-minute initial consultation
  - Customized training plan
  - Three 40 min training sessions per week that include two brief walks before and after each session, and written owner updates
  - Weekly 30-min owner consult to update you on your dog's progress and demonstrate how to use and maintain new behaviors
  - **Your commitment:** to learn the fundamentals of reward-based training from the trainer; to continue to reinforce dog's established new behaviors
  - **Limited-time promotion:** ~~\$349/week~~ **\$299/\$254.15week\***

## Puppy Socialization and Training Package – for puppies 7-14 weeks

Early socialization is **critical** for preventing adult behavior problems rooted in fear and aggression. We provide safe, positive exposure to people, healthy animals and a wide variety of experiences during the primary socialization period, giving your dog life-long confidence with them.

Perfect for busy owners who may not have the time available to take advantage of this critical developmental period. First round of vaccinations required; second round required by 6wks.

- **Package includes:**
  - One hour of training and socialization per day, 3 days per week
  - We will teach your puppy “sit for everything,” leash manners, and carefully provide positive experiences with dozens of friendly people of all ages, your vet, healthy dogs and cats, nail trims/bathing/brushing, crowds, street noise, sidewalk cafes, and other experiences you would like them to face with confidence
- **Limited-Time Promotion:** ~~\$249/week~~ **\$199/\$169.15week\***

## Behavior Consulting and Individual Sessions:

Looking for a quick refresher to re-establish a specific behavior? Need behavioral consulting to solve a specific problem? You can purchase individual training sessions or packages. Packages include a discounted evaluation session, text/email/phone support during training, and a follow-up call 2 months after training is completed.

- **Individual Training Session: ~~\$129~~ \$109**
  - Single 60-minute training session for one specific issue (ex: housetraining, jumping up, door-bolting)
  - Includes a simple, practical training plan for changing the problem behavior
- **Individual Session/Behavior Evaluation: ~~\$189~~ \$159/\$135.15\***
  - 90-minute behavior evaluation and training session
  - Using the principles of Applied Behavioral Analysis, together we will determine the what is triggering and maintaining your dog's problem behavior and create a simple, practical plan to change it.
  - Best for simple training issues, such as house-soiling or jumping-up, or to help re-establishing a good behavior your dog has lost.
- **3 – 5 Session Pkg: ~~\$125 initial evaluation + \$80/session~~ \$100 initial evaluation + \$75/session\***
  - **Evaluation + 3 sessions: \$325/\$267.26\***
  - **Evaluation + 4 sessions: \$400/\$340\***
  - **Evaluation + 5 sessions: \$475/403.75\***
  - For owners dealing with specific behavioral issues (such as predictable aggressive behavior, seeking an individualized training plan.
  - Using the principles of Applied Behavioral Analysis, together we will determine the what is triggering and maintaining your dog's problem behavior and create a practical plan to change it.
