

Kim Hunt Dog Training

Rewarding—For Dogs and Owners

Behavior Consulting Services

Baffled by your dog's problem behavior? I can help! Using the principles of applied behavior analysis, we will determine what is triggering and maintaining your dog's problem behaviors and create an individualized, effective plan to change it. Rabies vaccination required for dogs over 4mo.

- **Behavior Consultation and Training Plan: \$189/\$161****
 - Best for simple behavioral issues, such as house-soiling or jumping up. Or for owners with extensive training experience looking for help developing a training plan for a specific issue.
 - **Single 90-minute behavior evaluation/training session, individualized training plan**
- **Behavior Consultation and Training Package: \$750/\$637****
 - For owners dealing with more complex behavior problems, such as leash-reactivity, predictable aggressive behavior, fear, and separation related problems.
 - **Initial 90-min evaluation, individualized training plan, six in-home 60 min sessions, text and email support, weekly phone consult**
- **Behavior Consultation and Training Package—Complex Behavioral Issues: \$1,015/\$862****
 - For owners dealing with entrenched, complex behavioral issues (such as unpredictable or pervasive aggressive behavior, feral/undersocialized dogs, true separation anxiety).
 - **Initial 90-min evaluation, individualized training plan, nine in-home 60-min sessions, text and email support, weekly phone consult**
 - I require owners to document weekly training work and progress re: aggressive behavior.

In-Home Basic Manners Training: \$470/\$400**

We bring the training class to you and show you how to turn your ruff-around-the-edges pet into a well-mannered family member. You'll learn how to use positive reinforcement to quickly establish or strengthen your bond with your dog and to teach him anything he's physically and mentally capable of doing. Rabies vaccination required for dogs over 4mo.

- **Package includes:**
 - Five weekly 60min sessions
 - Individualized written training plan tailored to your needs
 - Text and email support
- **Your commitment:**
 - Two 10-minute daily training sessions per week
 - Short video and readings per week

Day Training Services

Busy? Want the fastest results possible? Let a professional trainer do the tedious work of training for you. I'll show you how to use your dog's newly trained behaviors to make life together more pleasant. I can teach basic manners and solve annoying/problem behaviors. Current rabies vaccination required for dogs over 4mo.

Three-week Basic Manners Package: \$1,149/\$977** (9 training sessions, 3 family sessions)

I will teach your dog 4-5 basic obedience cues (such as sit-for-everything, down/stay, recalls, eye contact/attention training, or manners for a specific situation (loose leash walking--for non-reactive dogs, polite greetings, off-leash recalls, or relax/stay on a mat, etc).

- 30-minute initial consultation
- Three 45-minute training sessions per week (9 total) and written owner updates.
- Two 45-minute owner training sessions (weeks 2 and 3) to update you on your dog's progress and show how to use and maintain trained behaviors.
- One 45-minute follow-up session after training is complete.
- **Your commitment:** learn the fundamentals of reward-based training from the trainer; continue to reinforce trained behaviors

Leash Reactivity Training Package: \$2,289/\$2,029** (15-18 training and 4-6 family sessions)

Does your dog bark and lunge at other dogs, people, bicyclists, or cars on leash walks? I can help you resolve that!

- 30-minute initial consultation
- Three 45-minute training sessions per week, written owner updates
- Bi-weekly 45-minute training sessions with owner
- Two 45-minute follow-up sessions after training is complete
- **Your commitment:** to learn the fundamentals of reward-based training from the trainer; to continue to reinforce trained behaviors on leash walks

Puppy Socialization and Training Package (for puppies 7-12 wks): \$265/\$225 per wk**

Early socialization is **critical** for preventing behavior problems rooted in fear and aggression. I provide safe, positive exposure to people, sociable dogs, and a wide variety of experiences during the primary socialization period, giving your dog life-long confidence with them. Perfect for busy owners who may not have the time available to take advantage of this critical developmental period. **First round of vaccinations required; second round required by 9wks.** \

- 30 min initial consultation
- One hour of training and socialization per day, 3 days per week
- I will teach your puppy polite behaviors such as sit-for-everything, leash manners, greeting manners, come, and carefully provide positive experiences with dozens of friendly people, sociable dogs, nail trims/bathing/brushing, crowds, street noise, sidewalk cafes, etc. to help create a friendly, confident companion for life.

Individual Training Sessions: \$105/90**

- Pay-as-you-go individual training sessions

Additional Sessions for Behavior Consult Packages: \$90/\$77**

**** 15% discount for shelter/rescue adoptees or rehomed dogs (adoption contract or other proof of adoption may be required).**

Kimm is a **Certified Professional Animal Trainer (IAATB)** and a **Certified Shelter Dog Behavior Consultant (IAABC)**. She has a **B.S. in Animal Sciences from the University of Illinois**, studied Public Services Management at DePaul University, and is currently working on a **Master's in Clinical Animal Behavior at the Royal (Dick) School of Veterinary Medicine, University of Edinburgh**. She consults with animal shelters and rescues regarding behavior management and behavioral euthanasia and provides training services for dogs, cats, birds and pigs.
